## Compatibility

C-BOX supplies **10130-004** as a form, fit and function replacement for nVent SCHROFF 10130-004 — same 19″ interface dimensions and panel cut-outs, produced with our own tooling, material and finish. Existing installations can switch without rework.

## Engineering data

Dimensional drawing, material and finish certification for this number are issued on request: send us the part number or your drawing and our engineering team replies within one business day with a dimensioned drawing, the equivalent C-BOX configuration and the applicable tolerance class.
